¹Department of Environmental Epidemiology, Istituto Nazionale per la Ricerca sul Cancro, Genoa, Italy

²Commonwealth Scientific and Industrial Research Organization (CSIRO) Health Sciences and Nutrition, Adelaide, Australia

³Institute of Environmental Health Sciences, National Yang Ming University Medical School, Taipei, Taiwan, Republic of China

⁴School of Public Health, University of California, Berkeley, California

⁵Laboratory for Cell Genetics, Vrije Universiteit Brussels, Brussels, Belgium

⁶Environmental Toxicology Program, National Institute of Environmental Health Sciences, Research Triangle Park, North Carolina

⁷Department of Radiobiology, Radiation Effects Research Foundation, Hiroshima, Japan

⁸Dipartimento di Scienze dell'Uomo e dell'Ambiente, University of Pisa, Pisa, Italy

⁹Dipartimento di Biologia Animale, University of Turin, Turin, Italy

¹⁰Toxicological Evaluation Unit, Istituto Nazionale per la Ricerca sul Cancro, Genoa, Italy

¹¹Molecular Toxicology Laboratory, Third Military Medical University, Chong Qing, China

¹²Laboratorio Dosimetria Biologica, Autoridad Regulatoria Nuclear, Buenos Aires, Argentina

¹³Auckland Cancer Society Research Centre, Auckland, New Zealand

¹⁴Institute for Medical Research and Occupational Health, Zagreb, Croatia

¹⁵Centro de Proteccion e Higiene de las Radiaciones, Havana, Cuba

¹⁶Department of Pharmacology, University of Bologna, Bologna, Italy

¹⁷Cell Biology Division, Bhabha Atomic Research Center, Mumbai, India

¹⁸Department of Radiation Oncology, Leo Jenkins Cancer Center, East Carolina University School of Medicine, Greenville, North Carolina

¹⁹Institute of Genetics and Cytology, Belarus Academy of Sciences, Minsk, Belarus

²⁰Nacional Center of Hygiene, Medical Ecology and Nutrition, Sofia, Bulgaria

²¹Dipartimento di Agrobiologia e Agrochimica, Università della Tuscia, Viterbo, Italy

²²Institute für Medizinische Strahlenbiologie, Universitätsklinikum Essen, Essen, Germany

²³Division of Human and Health Sciences, Yamanashi Prefectural College of Nursing, Kofu, Japan

²⁴Consiglio Nazionale delle Ricerche (CNR)–Istituto Di Ricerca Per l'Elettromagnetismo e i Componenti Elettronici (IRECE), Naples, Italy

²⁵Institute of Preventive and Clinical Medicine, Bratislava, Slovak Republic

²⁶Central Research Institute of Roentgenology and Radiology, St. Petersburg, Russia

²⁷Department of Anatomy, Embryology, and Histology, University Gent, Ghent, Belgium

²⁸Laboratory of Comparative Toxicology and Ecotoxicology, Istituto Superiore di Sanità, Rome, Italy
